ORGANISATIONAL SKILLS

Organisational skills

I gathered and lead a development team of 15 people, from Russia, Ukraine and Slovakia, with all of them warm friendly relations and a high level of interaction, and I did not meet any of them in reality. We have been cooperating for 2 years

COMMUNICATION AND INTERPERSONAL SKILLS

Communication and interpersonal skills

-I care and respect those I work with.
-It's easy to cooperate with me, besides, I am a "team player"
-I am very sociable, so it's easy to work with me
-I can inspire people
-I help in everything I can and study with those whom I teach
-I am calm and patient in communication
-I listen to the opinions of others

JOB-RELATED SKILLS

Job-related skills

-Easily create and style small sites with only CSS, HTML, PHP, SQL

-I am able to program Arduino

-I am able to work with documentation

-I learn programming languages with ease

-I can fix software and hardware problems, sometimes without searching

-I am able to work with Git/GitHub

-I can edit and create simple illustrations in the Paint Tool SAI using a graphics tablet

-I have basic skills in working in the Unity editor

-I can create, edit and render very simple models in Blender

-I am able to test software

-I am able to optimize my work using software

RECOMMENDATIONS

Artem Lapikura – Volunteer – puzzak69@gmail.com – (+380) 993072873
Acknowledgments for effective work, quick response and great interest in video games at the Games Gathering 2019 conference

Artem Lapikura – Volunteer – puzzak69@gmail.com – (+380) 993072873
Letter of recommendation, where documented that I was a volunteer at the international Crypto Games Conference from October 10 to 11, 2019.

My duties as a volunteer were to control the observance of order and cleanliness in his area, help visitors, communication of volunteers with each other and with the leadership of the conference.

During the conference, I proved myself to be a punctual, conscientious, professional employee and leader of the volunteer team.
